

SAPPORO JAPAN MAY 26-29 2019

ISCAS 2019

IEEE International Symposium on Circuits and Systems

Call for **Special Sessions**

IEEE International Symposium on Circuits and Systems (ISCAS) is a flagship conference in the IEEE Circuits and Systems Society. ISCAS2019 will be held in Sapporo, Japan, from 26th May to 29th May 2019. The ISCAS2019 organizing committee welcomes proposals of special sessions, which include in the technical program of the ISCAS2019. The special sessions may be a forum for broadly discussing cutting-edge topics that focus on the particular interesting area in the circuits and systems research fields, which includes but are not limited to:

- Society 5.0 - Human-centric Society
- Sustainable Computing and Systems
- Energy-aware Systems and Services
- Disaster Prevention and Mitigation
- Smart Systems for Automotive
- Cyber-Physical Systems
- AI, IoT and Big Data Processing

Typically, each special session is composed of five (5) presentations. Note that all papers will be subject to the same peer review process as for regular papers.

Special Session Proposals

Please send proposals in pdf format to the Special Sessions Co-Chairs, special-sessions@iscas2019.org, by e-mail. The deadline of the Special Session proposals is 8th October, 2018. Following information is necessary in the proposal:

- Session title and abstract
- Rationale of the necessity for the Special Session at ISCAS2019; the rationale should emphasize the novelty of the topic and/or its multidisciplinary features (if any)
- Short biography of the session organizer(s)
- List of (at least) five (5) papers including titles, authors with corresponding author contact information and short biography, and short abstract.

SAPPORO JAPAN MAY 26-29 2019

ISCAS 2019

IEEE International Symposium on Circuits and Systems

Important aspect in the evaluation of special session proposals will be the timeliness of the topic, quality/track record of the proposers and speakers, coherence of the session and expected value added to the overall technical program. Notifications of acceptance/rejection will be provided by 15th October, 2018.

After Special Session proposals are approved, manuscripts must be submitted to the special sessions and should conform to the formatting and electronic submission guidelines of regular ISCAS papers. Paper due is 15th October 2018. Then papers will undergo the same review process as regular papers. So the notification will be provided by 14th January 2019. It is the responsibility of the session organizers to ensure that their Special Session papers meet ISCAS quality standards. If, at the end of the review process, fewer than four (4) papers are accepted, the session will be cancelled and the accepted papers will be moved to regular sessions.

Important Dates

Special Session Proposals:	8 Oct, 2018
Special Session Notification:	15 Oct, 2018
Special Session Paper Submission:	15 Oct, 2018
Special Session Paper Notification:	14 Jan, 2019
Special Session Final Paper Submission:	18 Feb, 2019

ISCAS 2019 Special Session Co-Chairs

Eryk Dutkiewicz, University of Technology Sydney

Atsushi Takahashi, Tokyo Institute of Technology

Hiroo Sekiya, Chiba University

Andrei Vladimirescu, ISEP/UC Berkeley
