

How to visit ISCAS2019 in Sapporo City.

I understand all of you can easily come to New Chitose International Airport:

● Access to the airport

Assume all of them are now New Chitose International Airport. This airport is not in Sapporo but in Chitose city. Chitose city is different from Sapporo City. It takes about 50 km from Chitose to Sapporo.

In this airport, you can select several accesses to Sapporo city.

● Access to the airport

JR(Railway)

- The Airport Express runs between New Chitose Airport (NCA) and Sapporo (36 min.) every 15 min. (1,040 yen)
- NCA - Otaru: 1 hr. 12 min. (1,740 yen)
- NCA - Obihiro: 2 hr. 30 min. (5,390 yen)
- NCA - Asahikawa: 2 hr. 01 min. (5,040 yen)
- NCA - Tomakomai: 33 min. (670 yen)

Driving

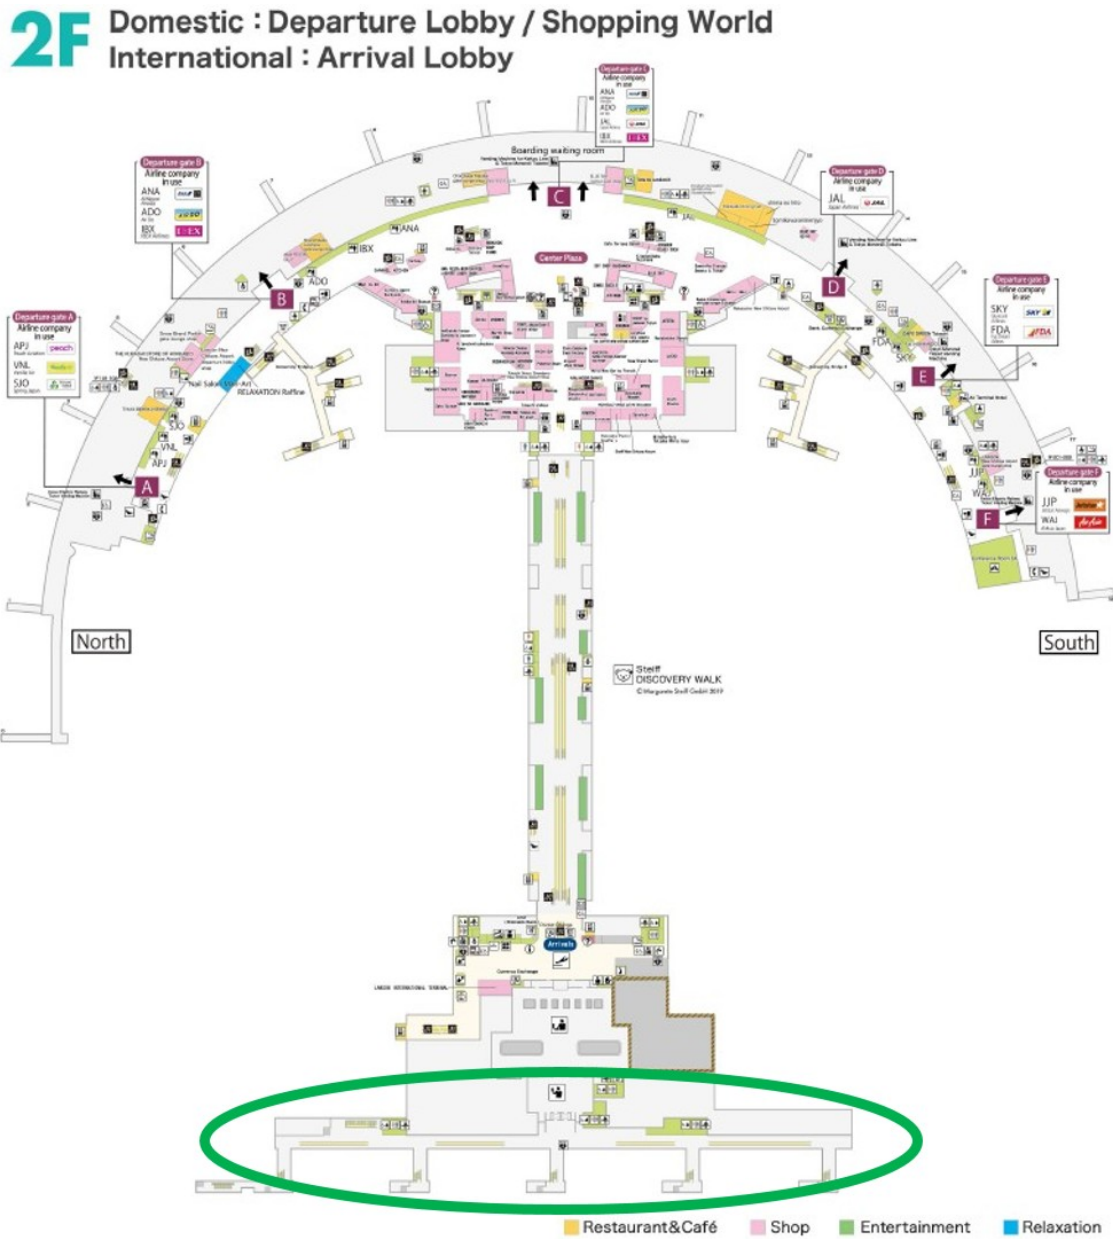

- Downtown Sapporo: 1 hr.
- Downtown Tomakomai: 30 min.
- Taxi
- NCA - JR Sapporo Sta. (about 11,800 yen plus expressway toll of 850 yen)
- Expressway toll: Chitose IC - Sapporo Kita: 1,250 yen
Chitose IC - Kitahiroshima: 750 yen

Bus

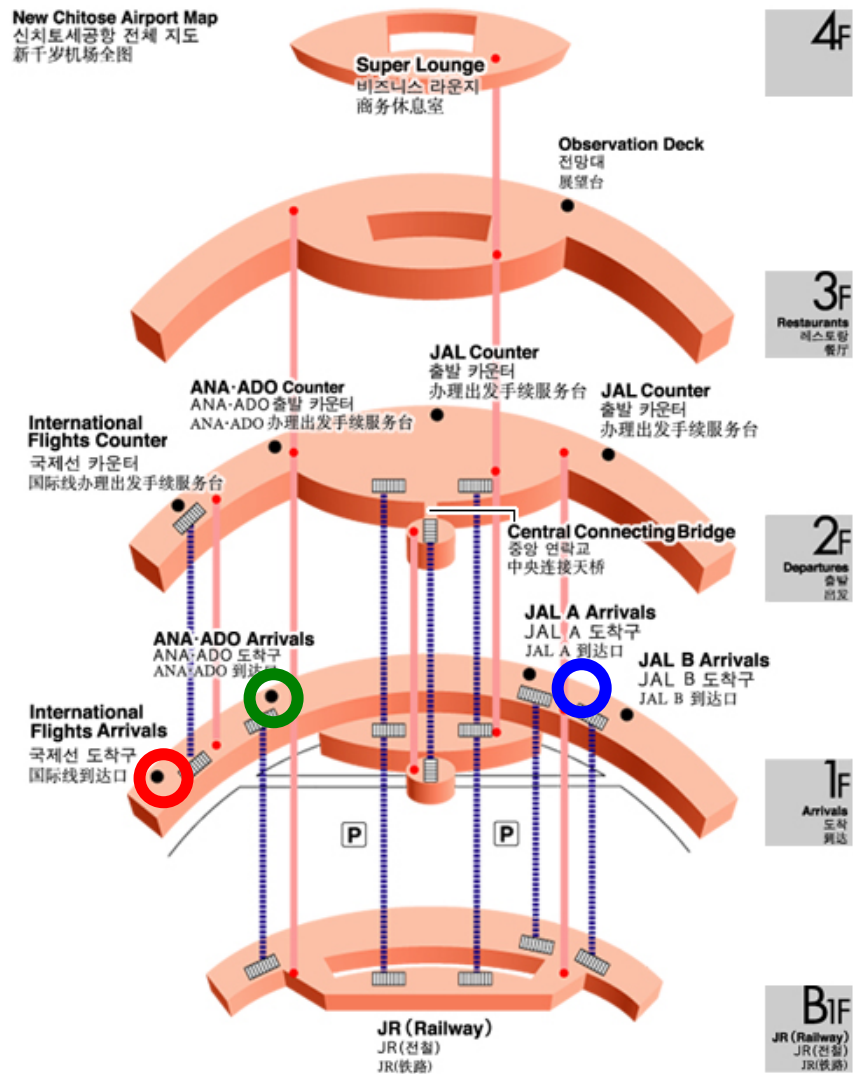

- Downtown Sapporo: 1 hr. 10 min. (820 yen)
- Oyachi Sta. on Subway Tozai Line: 30 min. (710 yen)
- Tomakomai: 45 min. (600 yen), Muroran: 1 hr. 45 min. (1,530 yen)
- Noboribetsu: 1 hr. 10 min. (1,330 yen)
- Shuttle services and regular route services available.

However, please select JR (Railway) from Chitose to Sapporo. It is most convenient access to Sapporo. It means that you had better select the airport express by which it takes about 35 minutes to Sapporo with 1,070 yen JR fee. All trains which you ride on will go Sapporo without exception.

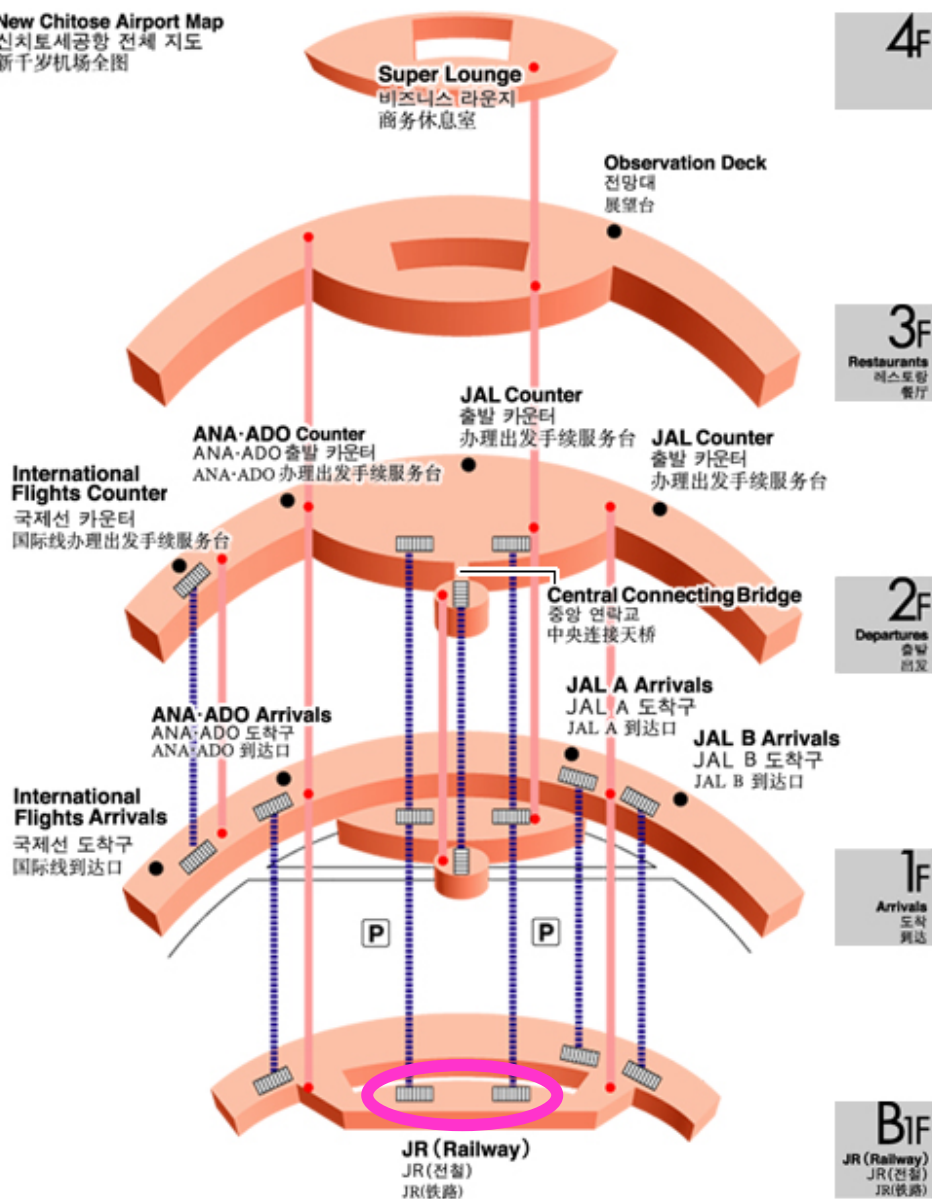

At the first, if you will be in this airport by airplane, you are in the following green circle when you use INTERNATIONAL TERMINAL.

In this case, you had better move to DOMESTIC TERMINAL on 2F when you will use JR train. If you use the international air of LCC, you may be in the red circle of DOMESTIC TERMINAL. If you use the ANA domestic, you will be in the green circle. If you use the JAL domestic, you will be in the blue circle.

From these four points, you can easily move the following JR station indicated by the pink circle. Please use the escalator indicated in this map.

Note that all trains go to Sapporo city in 35 minutes. From Chitose International JR Station to Sapporo JR Station, we have one similar naming JR station. i.e., **Shin**-Sapporo JR Station. Please do not leave your train at the **Shin**-Sapporo JR Station. **If you have any difficulty, please ask Japanese young passenger.** They can understand English and help you.

Now you can visit Sapporo JR Station. The following map is the JR Station.

All trains reach the second floor of Sapporo Station. All passengers have to go down to exit. There are two exits, i.e., West Exit (Blue arrow) and East Exit (Green arrow). You can see many English sign boards. If you would like to take a taxi, please go the area of yellow circle. In case of big luggage, please take a taxi.
